[1](#). Ref A requested that post conduct a Blue Lantern pre-license check of Springfall International, Sharjah Airport Free Zone for application 050072891 (F-16 spare parts to the Pakistani Air Force) due to it being a unfamiliar foreign consignee. Post notes that Springfall International was the subject of a Blue Lantern check conducted on January 14, 2004 per Ref B with the original Department request in Ref C.

[2](#). On December 10, 2007 Commercial Officer Nasir Khan contacted Springfall in an effort to schedule the check. A Mr. Mohammad Ali advised that the relevant individual, a Mr. Abdullah Khamis was out of the country on leave and would not be returning until January [2008](#). Ali advised he was the only one at Springfall who would be able to assist in this matter.

[3](#). Please advise whether Post should wait until the return of Khamis or if the previously conducted 2004 check will meet the license requirement.
